**SUBJECT: 2004 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM (FTIP)
AMENDMENT #1 for the City of Riverbank "RSTP - Oakdale Road Bridge
Expansion" Project and for the Stanislaus County "FTA Section 5311"
Project**

Dear Ms. Perez:

As Senior Planner for the Stanislaus Council of Governments, I hereby approve Administrative Amendment #1 to the 2004 Federal Transportation Improvement Program (FTIP) to amend two previously programmed projects:

- 1. Move the Federal source for Preliminary Engineering (PE) funds (\$59,891) to Construction in FY 2004/05, which increases the Construction amount from \$192,974 to \$252,865 (\$59,891 + \$192,974). The City of Riverbank Oakdale will assume the entire amount for the PE and any differences in Construction costs on the "Oakdale Road Bridge Expansion RSTP project. Total cost of project - \$730,000 = (\$477,135 Riverbank and \$252,865 Federal).**
- 2. Correct the dollar amounts for the Federal Transportation Administration (FTA) Section 5311 fund, from the previously programmed amount of \$180,000 to the amount apportioned (\$145,763) to the Stanislaus region for FY 04/05.**

REASON:

City of Riverbank: Is requesting an amendment to move the federal portion of the PE funds to the Construction phase of the Oakdale Road Bridge Expansion RSTP project. The City is making use of other funds recently made available to them; therefore, they will assume the entire amount of the PE and any differences during the construction phases.

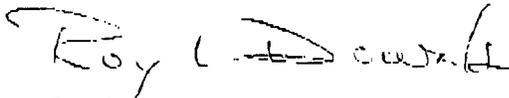

Stanislaus County: All previous FTA fund amounts have always been estimated in order to reflect the planning years beyond the present fiscal year. However, this year, the CTC and Caltrans have requested specific dollar amounts more in-line with targets adopted in the 2004 STIP.

This proposed change meets the criteria for changes that may be made administratively: a new project has not been added; air conformity has not been affected; the timely implementation of Transportation Control Measures (TCM) has not been adversely affected; financial constraints have not been impacted; and major scope changes have not resulted.

This administrative amendment will require full State and Federal concurrence and, accordingly, it is simultaneously being forwarded to the reviewing agencies for information. Since this amendment was accomplished administratively, a resolution from the Stanislaus Council of Governments Policy Board is not required.

If you have questions or concerns regarding this administrative amendment, please feel free to call me or Vince Angelino at (209) 558-7830.

Sincerely,

Roy L. Downs

Senior Regional Planner
